

# welcome *Welcome...*

MaryJanesFarm would like to invite you to satiate your "let's buy a farm" fantasy now. By becoming a member of our "exclusive" one-of-a-kind Country Club, you'll enjoy the bounty of owning your own farm, but without the workload or the worry.

Being a member entitles you to leisurely strolls through our gardens and orchards, fresh plucked fruit, every kind of vegetable imaginable, plus bouquets of flowers from several gorgeous flower gardens. You can take home fresh eggs, sit a spell under the shade of a tree, lie in a hammock, eat a picnic in one of our outdoor kitchens, stop to listen to the hundreds of songbirds that live at MaryJanesFarm, or better yet, let a gentle breeze wash away your cares.
