ASSEMBLING, STITCHING, AND FINISHING DETAILS

Seam allowance: $\frac{1}{4}$ " unless otherwise noted.

RST = Right Sides Together

Refer to Assembly Diagram for placement during piecing.

1. Join four A blocks with four B strips to make the center row; press seams toward B.
2. Join three C strips with four D squares to make a sashing row; repeat to make two rows. Press seams toward C.
3. Sew a sashing row to each side of the center row; press seams toward sashing rows.
4. Sew an E strip to each long side and an F strip to the top and bottom; press seams toward E and F.
5. Sew the varying width strips cut for outside pieced border RST along length in random order; press seams in one direction. **Note:** Refer to color photo for stitching order in the sample quilt.
6. Subcut the pieced strip into two 3" x 41 $\frac{3}{4}$ " G strips and two 3" x 20 $\frac{1}{2}$ " H strips.
7. Sew a G strip to each long side and an H strip to the top and bottom of the pieced center; press seams toward G and H.

FINISHING

1. Place the batting between the stitched top and backing; pin or baste layers together for quilting.
2. Quilt as desired by hand or machine; remove pins or basting.
3. Join the binding strips on the short ends with diagonal seams to make one long strip; press seams open.
4. Fold the binding in half along length with wrong sides together to make a double layer; press.
5. Stitch binding to the right side of the quilt top with raw edges even, mitering corners and overlapping the ends.
6. Turn the binding to the back side and hand-stitch in place to finish.

Complete quilt by adding embellishments.
