

SAVE YOUR selvage

In true farmgirl fashion, farmgirls have come up with some fun projects that you can make using leftover selvage. Don't throw those selvage scraps away ... selvage is perfect for crafting and has many uses. Here are a few examples to spark your creativity.

This ca-ute greeting card was made by sewing selvage strips directly onto a section of paper bag using a sewing machine, then machine-stitching the circular paper message on top.

Here, selvage strips were first sewn onto fabric, then made into a lined tote.
